To be held at DEXTER PARK SALE PAVILLION, UNION STOCK YARDS, CHICAGO, Ill.,

On Wednesday, June 5th, 1901,

At 1 o'Clock p.m.

Geo. E. Ward, Sioux City, Iowa, will sell 60 Head at same place on TUESDAY. June 4th.

Announcement.

NOWING Chicago to be a centre for the sale of pure bred live stock and easily accessible to all the people of the United States, and believing the breeders of Short-Horns and those contemplating starting herds will appreciate an offering of really first-class cattle, we submit the following pedigrees for their examination, and cordially invite all who are interested in this well-known breed of cattle to attend our sale and examine the offering. The animals to be sold on this occasion will consist of drafts from the herds of four of the largest and best known breeders in Canada, and are of such character that we feel confident the reputation of these herds will not suffer from comparison of this lot of cattle with that of any offering of similar number made in recent years. It will be noted that the cattle are all of Scotch breeding, representing the most popular strains of blood, also that over fifty are imported, most of the leading herds of Great Britain being represented.

The pedigrees are all recorded in the American Herd Book.

Breeding list will be furnished on day of sale. Terms cash. The cattle will be loaded on cars free of charge, but will be at owner's risk as soon as bid off. Sale to commence promptly at one o'clock, at Dexter Park, Union Stock Yards, Chicago, Wednesday, June 5th.

His daughters have proved mines of wealth to the proprietors of Uppermill.

He was got by Waverley (68072), who, after winning at the Highland Society's show at Aberdeen in 1894, was purchased to head the Inverquhomery herd, not only for his great merit, but because of his excellent breeding, for he was by Mr. Bruce's Bendigo, who was a son of Clear-the-Way (47604), out of Augusta 8th. Knuckle Duster was out of Augusta 42nd, by Cap-a-Pie (58591), (by Clear-the-Way (47604), out of Augusta 11th, by Cetewayo (49244)). The Missies are the largest, one of the oldest, and one of the best tribes at Uppermill, and they are admitted to be one of the greatest families in Scotland. Many noted prize winners have sprung from this family, including Young Englishman (31113) (first and champion at leading shows for three successive years), Mountaineer (63027), Miranda, and the Royal Champion Marengo (69068).

LOVAT CHAMPION (74948), 1st prize at Perth, 1st and special at Inverness, and bought by Mr. Duthie for \$1,000, has been pronounced by many of the best judges the choice of the present Collynie stock bulls, and his calves certainly bear out that assertion. He belongs to Lord Lovat's famous Broadhooks family. His sire is Royal Star (74948), dam Victoria, by Proud Duke (59713). Mr. Duthie has refused several very tempting offers for this bull as he considers him one of the best in Scotland.

SPICY ROBIN (69638) belongs to the celebrated Spicy family. He was got by Roan Robin (57992) (bred by Mr. Cruickshank, used many years by Mr. Duthie, afterwards by Deane-Willis, and was considered one of the best sires of his day). His dam was Sprightly, by the Cruickshank bull Captain of the Guard (58596). Spicy Robin was first pick of Dean-Willis' 1895 calves, and was bought at the high price of 250 guineas when 12 months old.

STRONGBOW (52220), by Dunblane (47792), belongs to Mr. Cruickshank's famous Spicy family. His dam, Silvery, was by the great Champion of England (17526). He was used for three seasons at Sittyton, and was grandsire of Dean-Willis' famous Count Lavender.

MORNING'S PRIDE (69154) was purchased by Mr. Reid at one of the Collynie sales for 150 guineas. He could hardly have a better pedigree. He was got by the celebrated Pride of Morning (64546), dam Flora 92nd, by that grand old sire William of Orange (50694).

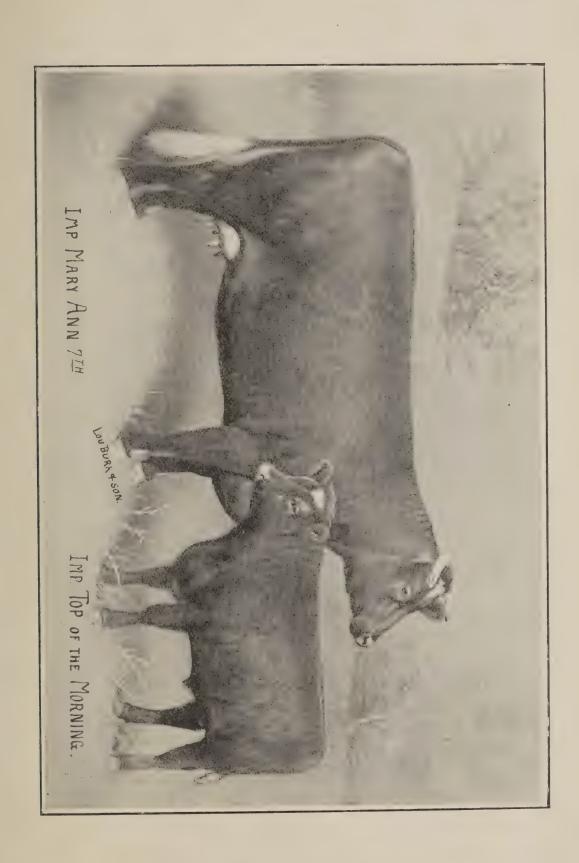

Belvedere (66696), by Admiral (62067), dam Butternut 2nd, by Mr. Cruickshank's well-known Nonpareil sire Norseman (56233), granddam by the noted bull William of Orange (50694).

Marcellus (59434) was got by Statesman (58191) (of the well-known prize-winning Glen Ythan tribe), dam Marian 2nd, by Grey Friar (46466).

Note.—That William of Orange appears in both Morning's Pride and Belvedere's pedigrees.

Top o' the Morning 164819, red, calved January 3, 1901, bred by Hon. M. H. Cochrane, got by Joy of Morning (imp.) 153003, (76929), out of Mary Anne 7th (imp.).

Joy of Morning (imp.) (76929) has more than justified our expectation of him as a sire. He was bred by Wm. Duthie, got by the Cruickshank Clipper bull Pride of Morning (64546) (the Highland Society champion at Aberdeen, 1894, first in his class and winner of Duke of York's medal for best Short-Horn in 1893, first and Short-Horn Society's prize of £20 at Royal Northern), out of Jessica 2nd, by the great Scottish Archer (59893).

The Missies are one of the oldest and most highly esteemed families at Uppermill, and the use of William of Orange on them has resulted in some of the finest cattle ever bred.

MISTLETOE 4TH is own sister to Scottish Hero (imp.) (75602), some of whose calves are contributed to this sale by Hon. M. H. Cochrane.

Wanderer (60138), now 11 years old and as robust as ever, is of the best Cruickshank breeding, a Brawith Bud, and is chief stock bull at Uppermill. He is the sire of Scottish Champion, sold at the 1899 Uppermill sale to Mr. Duthie for \$1,730 when only seven months old. Wanderer's sire, Commodore, was one of the best bulls ever used at Sittyton, and was sold to South America at a very high price. His dam, Godiva, was a grand cow. She was also dam of Gondomar (55821), a much valued bull at Sittyton. The Brawith Bud tribe was considered one of the best at Sittyton and second to none for good milking qualities.

Scottish Archer (59893), the sire of so many good ones, including the great English Champion Marengo (69068) and Brave Archer (70018), recently purchased by Mr. Kelly, of Ohio, for \$6,000, belongs to the Cruickshank Secret tribe, and his pedigree is rich in the blood of the best Sittyton bulls. He was by Cumberland (46144), dam by Pride of the Isles (35072), g.d. by Champion of England (17526).

WILLIAM OF ORANGE (50694), by Roan Gauntlet (35284), dam Orange Blossom 21st, by Cæsar Augustus (25704). This great Cruickshank bull was bought at Sittyton as a calf in 1883, and was retained in service at Uppermill till 12 years old. His record as a sire is a source of pride to all who are interested in the fortunes of Aberdeenshire cattle. Among the list may be mentioned Gay Monarch and Master of the Mint (both imported), Mountaineer and Missie 118th, dam of the great English Champion Marengo. His daughters have proved mines of wealth to the proprietors of Uppermill.

TROUT CREEK LADY comes from the fine old herd of the late Sylvester Campbell of Kinellar, Aberdeenshire. In fact she traces direct to Isabella, one of the two heifers bought by Mr. Campbell at Barclay of Ury's sale in 1847 (see Sanders' "Short-Horn Cattle," p. 649). The imported cow in this pedigree, Ury 7th, was a roan imported by George Isaac in July, 1872, from Kinellar.

Golden Measure (imp.), a red bull imported in 1897 by John Isaac, Markham, Ontario, from the herd of Mr. Duthie. He was sired by Golden Count 139918, a Cruickshank Brawith Bud bull bred by Deane Willis of Wiltshire, England, from his celebrated Royal prize winning Count Lavender 132575. Golden Measure's dam was Mistletoe 5th (imp.), a valuable red cow of the Uppermill Missie tribe, imported by I. M. Forbes in 1898. Her sire was Mr. Duthie's renowned stock bull Scottish Archer. It is difficult to conceive of a more attractive combination of the most desirable Scotch blood than is represented in the breeding of Golden Measure.

CHALLENGE, a roan, bred by Messrs. Watt, of Salem, Ontario, and sold to Joseph Redmond, Peterboro, Ontario. He was sired by Barmpton Hero 58813, a roan bull bred by Hon. John Dryden from his celebrated imported Cruickshank cow Mimulus, by Champion of England, famous as the dam in Scotland of Mr. Cruickshank's noted stock bull Royal Duke of Gloster (29864), the sire of Roan Gauntlet, Barmpton, Grand Vizier, Privy Seal, Custard (the dam of Cumberland), and many other celebrities. (See Sanders' "Shorn-Horn Cattle," p. 590). The dam of Challenge was Matchless of Elmhurst 2nd, by Baron Louan 3rd 25617, tracing to the roan Cruickshank cow Matchless 16th, imported in June, 1871, by James I. Davidson. Challenge was awarded highest honors when exhibited at the Toronto Exhibition.

SIR CHARLES, a roan of John Isaac's breeding, sold to George Doidge, Plainville, Ontario; sired by Prince of Northumberland 82876, out of the Kinellar bred roan Buchan Lassie 2nd, imported by George Isaac in July, 1872, sired by Sir Christopher (22895); Buchan Lassie, by Diphthong (17681); Betsy, by the celebrated Campbell bull Scarlet Velvet (16916).
